

Retirement-
When you no longer
stress making
service!

Happy Days are here at Last.
The 12-hour days are past.
I've worked all my life and paid my dues,
Now I'll do just what I choose!

Retirement is when you stop
living at work and begin working
at living.

Swiped in and out for the last
time.
The daily grind has been left
behind.
No more early morning or last-
minute meetings.
No more emails faxes or voice
messages.
It's time to kick back and relax.
Every day is Saturday except
Sunday.
